OMAR HADDAD

Pharmacist, PharmD | Retail Pharmacy, Pharmacist in Charge

omar.haddad@example.com · (555) 019-2846 · Richmond, VA, US

SUMMARY

Retail pharmacist (PharmD) with 8 years of experience, the last 4 as pharmacist in charge of a store that fills about 2,600 prescriptions per week. Lead 2 staff pharmacists and 9 pharmacy technicians. Gave 1,150 vaccines in the 2025–26 season and raised the store statin adherence rate (PDC) from 82% to 89%. Licensed in Virginia; immunization and BLS certified.

EXPERIENCE

Pharmacist in Charge — *Larkfield Pharmacy* Mar 2022–Present

High-volume store with a drive-through in a 64-store regional pharmacy chain; about 2,600 prescriptions per week.

- Verify 280–340 prescriptions per shift for dose, interactions, and allergies; dispensing errors fell from 9 to 3 per year after a second check for high-alert drugs.
- Lead 2 staff pharmacists and 9 pharmacy technicians; a new weekly schedule cut overtime hours by 22% in 2024.
- Gave 1,150 vaccines in the 2025–26 season, including influenza, COVID-19, shingles, and pneumococcal vaccines.
- Completed 410 comprehensive medication reviews (CMRs) in 2025; the store statin adherence rate (PDC) rose from 82% to 89%.
- Manage $480,000 of inventory and the controlled substance records; cut inventory on hand by $52,000 and passed 2 board of pharmacy inspections with no findings.

Staff Pharmacist — *Tenney Drug* Jul 2018–Feb 2022

Independent community pharmacy with long-term care and compounding services; about 1,400 prescriptions per week.

- Verified 180–220 prescriptions per shift and checked blister-pack orders for 6 assisted living facilities.
- Compounded 15–25 non-sterile preparations per week (creams, suspensions, and capsules) and kept the compounding records.
- Started a medication synchronization program; 320 patients enrolled in 18 months, and on-time refills rose from 71% to 84%.
- Called prescribers about 30–40 prescription problems per week, such as drug interactions, wrong doses, and prior authorizations.
